Re: Recent Business

Dear Hank,

Our company recently decided to re-locate our office in Baton Rouge to a more suitable location. I called my brother, Garth Roberts (Lamar Advertising), and he recommended your company above all others. I now understand why he spoke so highly of your company.

Margaret Kennedy was very professional and made us feel like she had our company and employees best interest at hand. We had a few issues once we moved to the new location and Margaret has continued to stay in touch and make sure that all our needs were met. I feel she definitely has gone beyond the call of duty.

If we, or anyone else, need assistance with Real Estate issues I will definitely use/recommend your company.

Sincerely,

Carrie Matherne
